

§ 943.144 What financial impact do operations of a subsidiary, affiliate, or joint venture have on a PHA?

Income generated by subsidiaries, affiliates, or joint ventures formed under the authority of this subpart is to be used for low-income housing or to benefit the residents assisted by the PHA. This income will not cause a decrease in funding provided under the public housing program, except as otherwise provided under the Operating Fund and Capital Fund formulas.

§ 943.146 What impact does the use of a subsidiary, affiliate, or joint venture have on financial accountability to HUD and the Federal government?

None; the subsidiary, affiliate, or joint venture is subject to the same authority of HUD, HUD's Inspector General, and the Comptroller General to audit its conduct.

§ 943.148 What procurement standards apply to PHAs selecting partners for a joint venture?

(a) The requirements of part 85 of this title are applicable to this part, subject to paragraph (b) of this section, in connection with the PHA's public housing program.

(b) A PHA may use competitive proposal procedures for qualifications-based procurement (request for qualifications or "RFQ"), or may solicit a proposal from only one source ("sole source") to select a joint venture partner to perform an administrative or management function of its public housing program or to provide or arrange to provide supportive or social services covered under this part, under the following circumstances:

(1) The proposed joint venture partner has under its control and will make available to the partnership substantial, unique and tangible resources or other benefits that would not otherwise be available to the PHA on the open market (e.g., planning expertise, program experience, or financial or other resources). In this case, the PHA must maintain documentation to substantiate both the cost reasonableness of its selection of the proposed partner and the unique qualifications of the partner; or

(2) A resident group or a PHA subsidiary is willing and able to act as the PHA's partner in performing administrative and management functions or to provide supportive or social services. This entity must comply with the requirements of part 84 of this title (if the entity is a nonprofit) or part 85 of this title (if the entity is a State or local government) with respect to its selection of the members of the team and the members must be paid on a cost-reimbursement basis only. The PHA must maintain documentation that indicates both the cost reasonableness of its selection of a resident group or PHA subsidiary and the ability of that group or subsidiary to act as the PHA's partner under this provision.

§ 943.150 What procurement standards apply to a PHA's joint venture partner?

(a) *General.* A joint venture partner is not a grantee or subgrantee and, accordingly, is not required to comply with part 84 or part 85 of this title in its procurement of goods and services under this part. The partner must comply with all applicable State and local procurement and conflict of interest requirements with respect to its selection of entities to assist in PHA program administration.

(b) *Exception.* If the joint venture partner is a subsidiary, affiliate, or identity of interest party of the PHA, it is subject to the requirements of part 85 of this title. HUD may, on a case-by-case basis, exempt such a joint venture partner from the need to comply with requirements under part 85 of this title if HUD determines that the joint venture has developed an acceptable alternative procurement plan.

(c) *Contracting with identity-of-interest parties.* A joint venture partner may contract with an identity-of-interest party for goods or services, or a party specified in the selected bidder's response to a RFP or RFQ (as applicable), without the need for further procurement if:

(1) The PHA can demonstrate that its original competitive selection of the partner clearly anticipated the later provision of such goods or services;

(2) Compensation of all identity-of-interest parties is structured to ensure
